

## **OfficeMax Store 1354**

### Description:

The moment you walk through our doors, you'll realize something's different about OfficeMax.

Forget what you thought an office products store should look like. This is an unveiling of something so revolutionary, it'll change the way you shop, forever. In fact, no one has ever tried something like this, until now. It's a new store design with you and your business in mind.

### Low Profile Displays

Make it easy to spot what you're looking for?even from across the store.

### Technology Hub

Go to the center of the store and you'll find the latest technology products you need.

### Wider Aisles

For lots of shopping
