

The Sculpture Studio

Description:

The Sculpture Studio creates contemporary sculpture for home, office, landscape, or corporate settings.

Sculptures are available for view at www.thesculpturestudio.com, or visit the studio at Cave Creek in person. Woodcarvings, stone carvings, welded steel, and stainless steel sculptures are available for sale.

Mark can also be commissioned to create a unique design to accentuate your specific site or needs. An eye-catching sculpture can be the finishing touch that adds beauty to your home or business.
