

## Membership Means Something (M & Ms)

May is our membership drive month. Every Chamber member is urged to participate. Are your neighboring businesses Chamber members? If not, encourage them that now is the time! What's in it for you? As the referring member you receive a \$25 credit on your membership renewal for every new member you refer. The new business gets 13 months of membership for the price of 12 and the admin fee is waived for the new member. The current member that refers the most new members during the month of May receives a trophy filled with M & Ms with their name engraved on it that they get to keep for the entire year.

What does the Chamber of Commerce do? We provide marketing, networking and advocacy for our business community. Becoming a member of the Chamber gives your business a chance to be put in front of 1,000,000 eyeballs per year through our website, social media platforms, our print Chamber Community Guide and our weekly electronic communications. We provide two monthly networking opportunities and we provide advocacy at the state level.
