

What does the Chamber of Commerce do?

We provide marketing, networking and advocacy for our business community. As a member of the Chamber your business is given an opportunity to be put in front of 1,000,000 eyeballs per year through our website, social media platforms, our print Chamber Community Guide and our weekly electronic communications. We provide two monthly networking opportunities and we provide advocacy at the state level.

If you are a member are you taking advantage of all the marketing benefits your membership has available? Patty, Colleen or Jackie are available to help you sort it all out and help you get on the road to success!

If your business is not a member of the Chamber of Commerce, Why Not?

It isn't too late to become a member and be able to be included in the Chamber Community Guide that is mailed to 38,000 homes and businesses in seven zip codes.
