

Big News!

Almost two years of discussion and planning! We along with the six other Chambers that make up the EVCCA (East Valley Chamber of Commerce Alliance) we are ready to launch Medova Healthcare Affinity Program!

Premiums you can afford, deductibles that don't make you lose your breath, minimum of two for a group plan, local brokers to assist you, many local doctors and hospitals included for in-network and more!

Available to Chamber members only! Not a Chamber member yet! Give our office a call or check out our website about what it means to your business to be a member of the Chamber.

If you want a quote or consultation call our office to be referred to a broker.

The Challenge

Employers continually face double digit increases in healthcare costs each year.

Our Solution

Address the fundamental cause of this increase – employees health behavior.

The Bottom Line

Healthier employees cost you less – both in healthcare costs and in lost productivity.
