

Thank you to everyone who has taken part in the surveys we have sent out over the last couple of months. I appreciate you taking the time. The information is vital to help guide us in providing the proper resources for you.

Summer Happenings:

Celebration of Excellence that was scheduled for May 13 has been postponed until later in the year. We are planning and hoping for a fantastic end of the year party where we can all be together and celebrate our winners of the Chamber Choice awards, Impact award, Mick Ennis Service award and Business of the Year for 2019. We will be hosting a series of Facebook Live events through the summer and fall introducing each of the winners. Stay tuned for dates and times. We look forward to celebrating with all these folks through the summer, fall and early winter.

We will be hosting Zoom Mixers for August and September (no Mixer in July). These zoom meetings will be really cool and will offer virtual tours of local restaurant kitchens and interviews with the chef.

The July and August Business Breakfast will also be offered through a zoom meeting. We had quite a few chamber members attending our June 25 zoom Business Breakfast. Our guest speaker was Melanie Brown, representing Congressman David Schweikert's office. The topic was steps and resources to apply for PPP forgiveness. Details on speakers for July and August will be coming soon.

Lastly, I want to let you know that the Chamber Guide ad deadline has been extended until July 31 due to the shutdown. Our production schedule is still on time with mail delivery of the new guide scheduled for the first week of October.

Chamber staff is here for you! As always, we work hard to have resources available. Please do not hesitate to call with questions or concerns.
